Mount Pleasant Golf Course at the 15th green. In 1924, the Baltimore Park Board purchased 260 acres from Frank J. Taylor's estate for $129,000 and developed it into a championship golf course. Officially opened July 1, 1934, Mount Pleasant has sponsored and hosted many amateur and championship tournaments over the years. Cary Middlecoff (1951), Sam Snead (1953) and Arnold Palmer (1956) to name a few, have played and won the Eastern Open Golf Championship at Mount Pleasant. In the center of the photo is Taylor Mansion, now the clubhouse. On the left, Taylor Chapel is visible.

HOW TO USE THIS TIME TABLE

When do you want to be there? Look at the timetable under your destination and see which time is closest to the time you want to be there. Then look to the left and see what time you should take that bus at your boarding point.

How to use the time points: It would be impossible to list all the times the buses reach each stop where you can board, so, we've listed a number of time points which are shown on the map by a ☼. To know the time a bus will arrive at your stop, first determine where your stop is in relation to the timepoint shown on the map and the corresponding time shown on the schedule. If your stop is after a timepoint, add travel time, if your stop is located before the nearest timepoint, subtract travel time, then make a note of the time on this schedule as a convenience for your future reference.
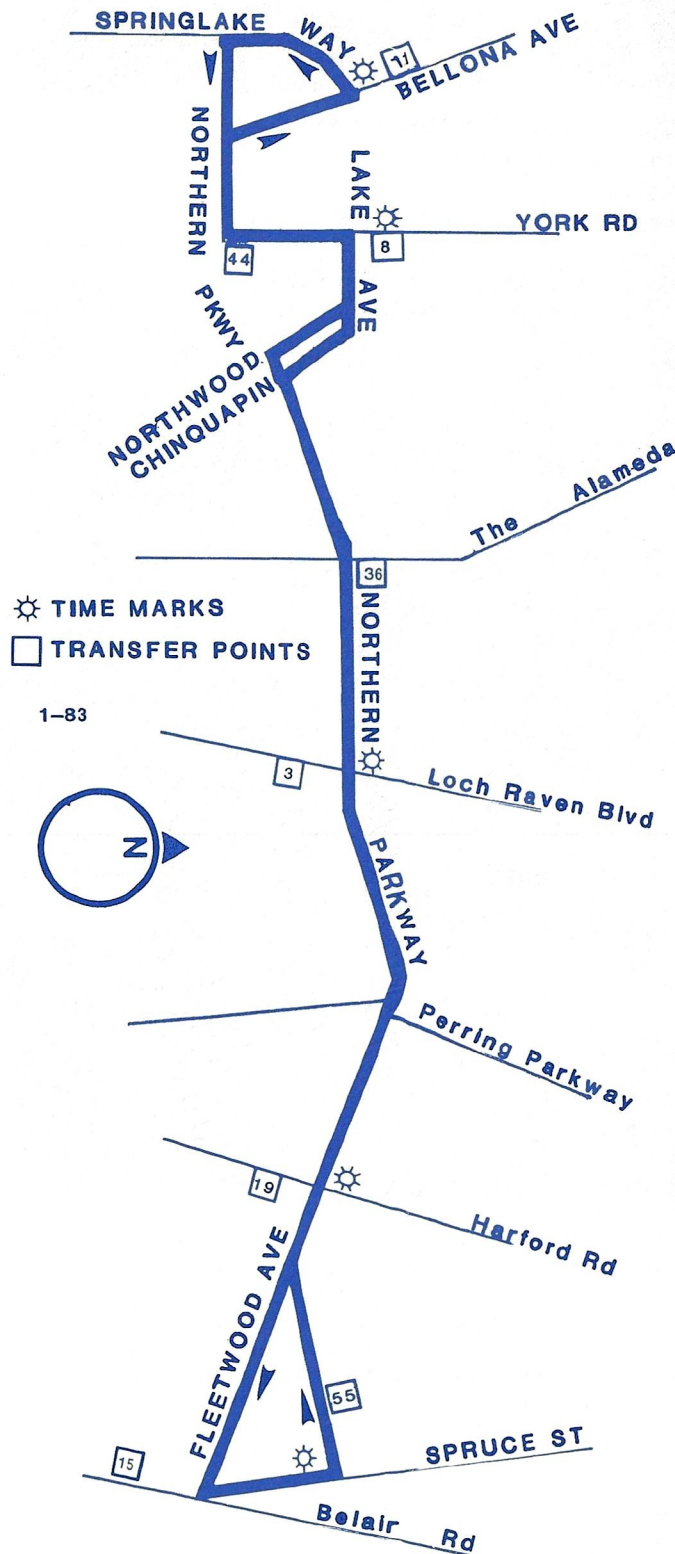

HOW TO TELL WHERE TO TRANSFER

At certain intersections on the map, you will see little squares with numbers in them, such as a ③ to show you where you can transfer. Basically transfers can be made to continue a trip in the same general direction. However, transfers cannot be used for round trips.
